How to raise $200 in just one week!

As an organization committed to leading with compassion, Humane Colorado works tirelessly to ensure that vulnerable animals can experience health, happiness, and deep connection. Each day, we are fortunate to witness such transformations—made possible by friends like you.

Every wagging tail, tender nuzzle, cheerful squeak, and long-awaited homecoming is a testament to the difference you can make. Thank you again for your compassion and support—with you by our side, we are creating a kinder and more humane Colorado for animals and their people.
